

**LUGGAGE**

When packing for your Kimberley cruise we recommend that all passengers pack lightly and into one soft luggage bag.

**6 day & 8 day cruises**

Guests who are joining us on either our 6 day or 8 day cruise will be restricted to a 10kg per person luggage allowance as a helicopter and transfer flight are included and weight restrictions apply.

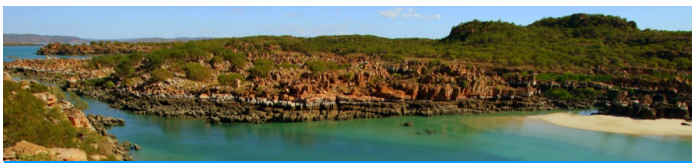

Please keep in mind that your bags will be weighed before departure. Any luggage which exceeds the 10kg per person allowance may be left behind. For guests who require to take hand luggage with them please ensure the combined weight does not exceed 10kg.

**10 day & 14 day cruises**

Guests who are joining us on either our 10 day or 14 day cruises, have no luggage restrictions.

**Excess luggage**

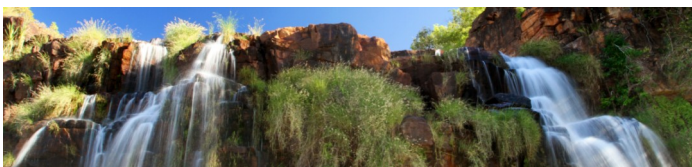

Any excess luggage may be stored free of charge in our office located in Broome. Please advise us before your departure if you require storage.

**TOILETRIES & MEDICATIONS**

We provide environmentally friendly shampoo, conditioner and body wash onboard all cruises however you may wish to bring your own. We do require you to bring your own private toiletries which include;

- Personal toiletries/hygiene items (we provide hair-dryers)
- Prescription medication
- Vitamins
- Motion sickness preventative
- Sun protection (sunscreen is provided onboard)
- Chapstick
- Insect repellent (Repellent spray is provided onboard)

**ADDITIONAL ITEMS**

**YOU MAY ALSO WISH TO BRING**

- Camera, batteries and plenty of film
- Binoculars - for the keen bird watcher and viewing rock art in hard to reach places
- iPod, personal music
- Water bottle (available for purchase onboard)
- Small backpack to take on excursions

**CLIMATE**

The Kimberley is a semi-tropical region experiencing two distinctive seasons, the 'Wet' and the 'Dry'. You can expect warm, balmy days with minimal rainfall and cool, stary nights during our cruise season.

**DRESS CODE**

We advise guests to pack four to five changes of casual clothing which are comfortable.

**Excursions**

Light-weight and quick-dry clothing for excursions is recommended. This includes a few pairs of shorts, T-shirts, a long-sleeved shirt and pair of light-weight pants that offer protection against the sun.

**Footwear**

You will need a pair of enclosed shoes that offer good ankle support for bushwalking. We also recommend you bring another pair of shoes that you do not mind getting wet as we regularly have wet landings. This includes; reef sandals, booties or equivalent. Shoes can be worn on-board.

**Evening wear**

There is no dress code for dining as a rule, generally 'Kimberley casual' attire for evenings is recommended.
